FIG. 2(a)

Diagram 34 illustrates a table structure for loan records. The table is labeled 34 and contains three columns: ID NUMBER (60), CONTENTS OF LOAN (61), and DATE (62). The table has five rows, with the first row serving as a header. The first column (ID NUMBER) contains a vertical dashed line in the first row. The second column (SUM) contains a vertical dashed line in the first row. The third column (DATE) contains a vertical dashed line in the first row.
